TREASURES FROM OUR TRADITION

This is the year of St. Paul, and so one of the most visited churches of Rome is also one of the most beautiful: the Basilica of St. Paul Outside the Walls. Like so many other churches, it was founded by the master-builder (or financier) Emperor Constantine about the year 315. Paul was martyred outside the walls of the City of Rome at a place called Tre Fontaine, probably on June 29, in the year 65, perhaps the first anniversary of St. Peter's crucifixion. Christians buried him in a quiet place about two miles away, and visited to pray. Constantine was running low on bricks, apparently, because the first church was tiny. In 386 it was demolished and today's basilica begun. This vast and towering space looks much the same today as it did in the fourth century.

The centuries have not been kind to ancient Rome, but until the early 1800s St. Paul Outside the Walls survived beautifully, perhaps because it has been assigned for nearly a thousand years to Benedictine monks. It was therefore a vibrant place of daily prayer even through the centuries when Rome was a poor and nearly abandoned city. In 1823 a great fire resulted from a botched repair job to lead on the roof, and St. Paul's was destroyed. It is said that the whole world contributed to its restoration. Even the Russian czar and the viceroy of Egypt gave alabaster, malachite, and lapis lazuli for the pillars and the tabernacle. Several of the precious mosaics were able to be restored, bringing the ancient basilica back to life. One of the great treasures of the basilica is a set of prison chains, said to have been worn by the Apostle in the last days before his martyrdom. Unlike other Roman churches, St. Paul's stands in a garden-like suburban neighborhood, surrounded by stately palm trees, gardens, and parks.

TRADICIONES DE NUESTRA FE

El día 2 de febrero se celebrará la Candelaria. En este día se conmemora la purificación de María, cuarenta días después de que dio a luz a Jesús. Candelaria viene del verbo latín candere (brillar), de allí la palabra candela, o sea, veladora. La celebración de la Purificación de María y la Presentación del Niño Jesús en el templo se conmemora con la bendición de todas las velas y veladoras que se van a usar durante el año. Esto se hace con la esperanza de que nunca venga a faltar la luz, tanto material como espiritual, en las casas de los fieles. Los cristianos, como Simeón en el templo, pueden decir que ellos también han visto la salvación; Jesús la verdadera luz que brilla en brazos de María.

En Puerto Rico tradicionalmente esta fiesta se celebra con la quemazón de los árboles de navidad, basura, palos, cosas viejas, etc. Esta costumbre subraya el deseo de dejar atrás todo lo malo para que llegue lo bueno; es decir terminar con la oscuridad para que brille la luz.
